THE GOLDEN LEGEND

1963

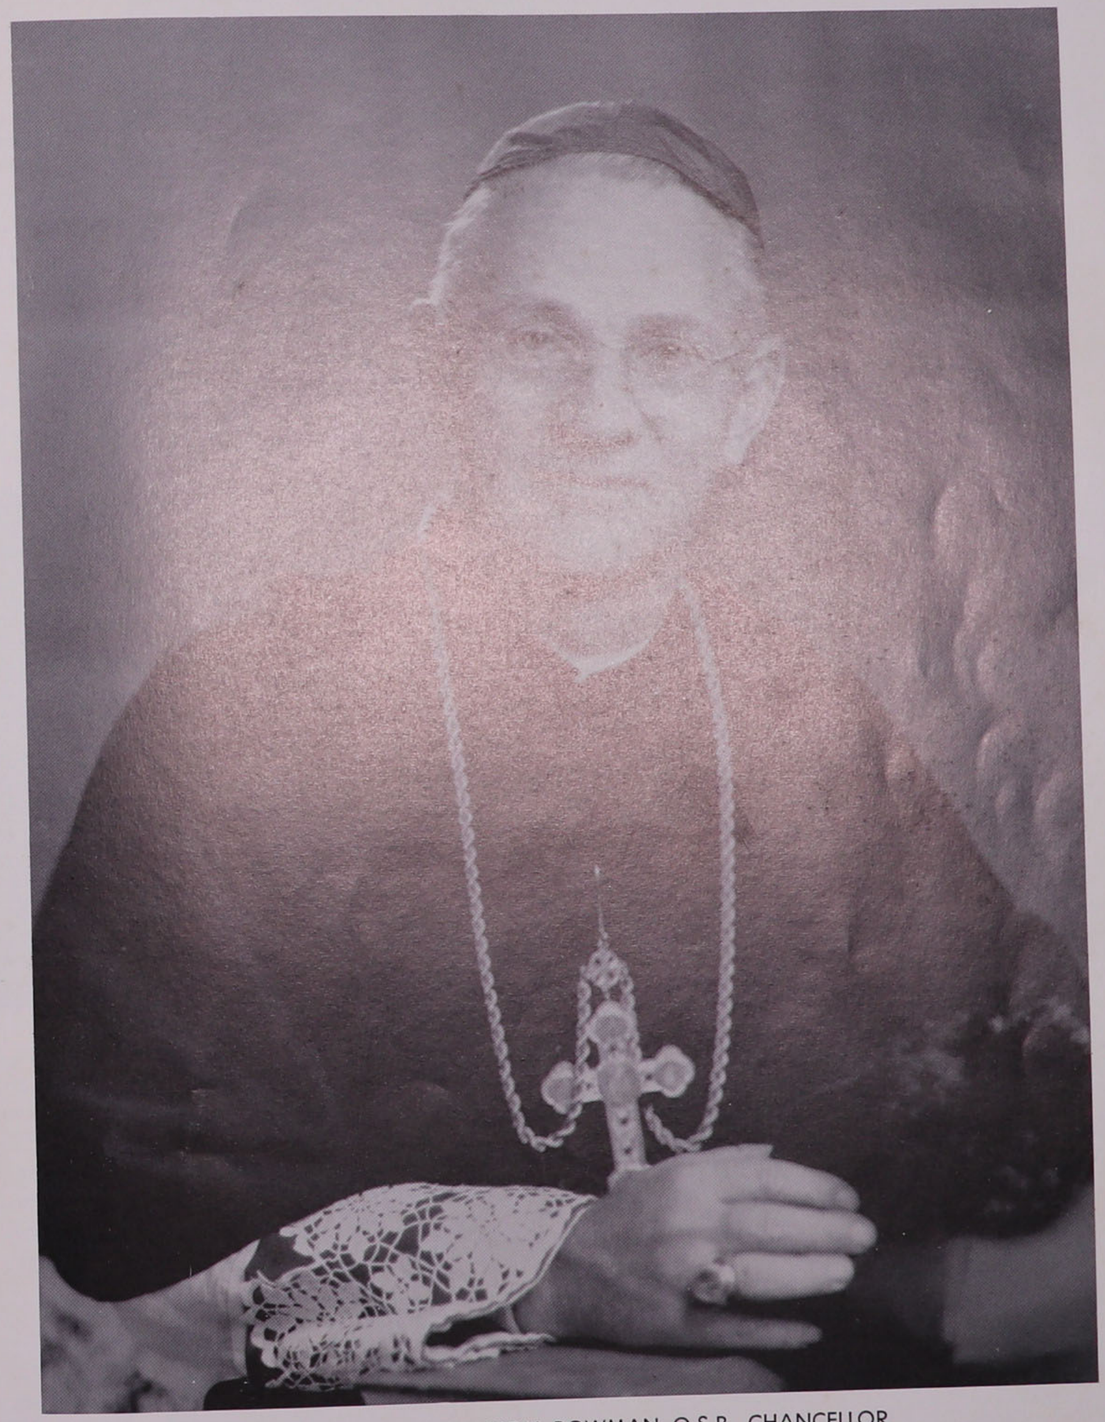
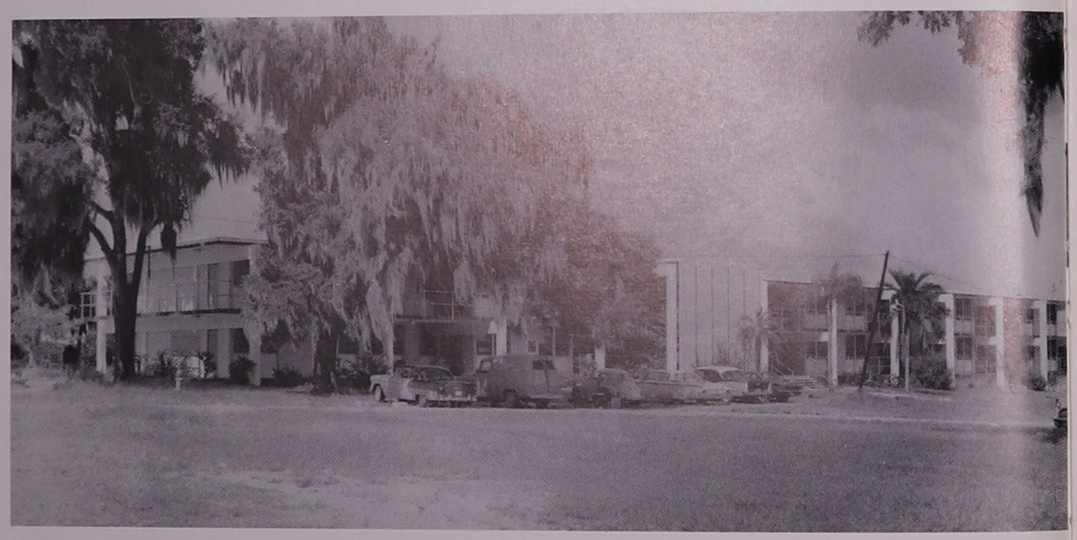
ABBEY CHURCH—SPIRITUAL NERVE CENTER OF THE COLLEGE

College is a place for seeking the truth. Christ said that "For this I came into the world to bear witness to the truth." Pilate scoffed at the truth. There is so much falsehood in the world. Christ is the truth. Satan is the father of lies. Those who scoff at the truth and persist in deliberately breaking their promises are in the camp of the father of lies. We figure that since college is a place for seeking the truth and youngsters must seek it, unless they make the truth their own and live by it, the whole business of living falls apart in this world as well as in the next. Young people, by becoming exponents of the truth become good citizens, further civilized nations, establish the kingdom of God, and insure their participation in it in the next world.



RT. REV. ABBOT MARION BOWMAN O.S.B., CHANCELLOR

Night and day the library is the center of collegian study.



Roderick Hall, dormitory of resident male students.

Crawford Hall, college classroom building, where the foundation of scholarship is laid.

Now is not just a time to pause and review. You stand in a position to reflect upon the past, but it is also upon the firm position of your present understanding that you must see the broad issues and problems you will face.

Our times are strong for the idea of freedom, and this too must be your concern as you move to accept more willingly and more intelligently, your place in society. But your concern must be within the framework of the truth your college hopes it has helped you to see. For freedom must be tied in with knowledge and truth. It must be tied in with the action of your will, but the will is blind without reason; the good has no real meaning without the true.

You will hear many who call themselves scientists proclaiming that the only hope of freedom is hope in science. Perhaps up to a point the scientists are right, for science is knowledge; knowledge leads to truth, and truth makes us free. But the fact is that the scientists were not the first to say this. The idea is ancient, and was brought into clear view by Christ Himself. For He said, "I have come to bring you the truth, and the truth shall make you free."

Let us recognize, then, that each offers us truth and each offers us a freedom commensurate with the truth we can gain by accepting the offer. Science admits its truth is limited, that what is known today as truth may be absorbed or changed tomorrow. Therefore the freedom it offers is limited and may suffer the same fate as the doctrine of truth it proclaims. Christ's truth is eternal and the freedom based upon it stands as solid and firm as that truth.

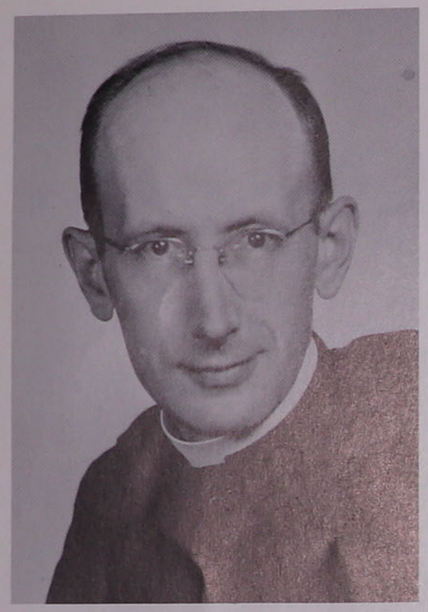
IN MEMORIAM



FATHER BEDE GALE, O.S.B.

Father Bede Gale, O.S.B., died here July 30, 1961. He had been instructor in English at Saint Leo College and founded the college LEPANTO society. An authority on heraldric design, Father Bede designed the Saint Leo College seal and coat of arms. He was working on an illuminated manuscript at the time of his death. In collaboration with the Jesuit Father Gilbert C. Peterson, and Jeannette Murphy Lynn, he produced the second edition of "An Alternative Classification for Catholic Books," a unique current, definitive working tool for Catholic libraries. He helped to reclassify and recatalog the library at Saint Vincent College, Latrobe, Pa. For some time he was a special catalogue for the 16th-century books at the Mullen Library of the Catholic University of America, Washington, D. C. Father Bede was born in London, England, March 25, 1941, in the Anglican faith. He became Catholic under the influence of G. K. Chesterton. Father was professed at Saint Leo on June 24, 1941 and ordained here December 15, 1946. He also taught at Saint Leo Preparatory School, Saint Vincent College, Gannon College, Erie, Pa., and U.S. Army Air Force Cadet classes.

Mr. Harold A. Heiser, of Tampa, died Sept. 14, 1962, and was buried here in the Abbey cemetery. An Oblate of Saint Benedict, Mr. Heiser was auditor in the office of the Procurator at Saint Leo Abbey, registrar, and headed the business administration department of the college. A native of Ohio, Mr. Heiser graduated Magna Cum Laude when he received the M. A. degree and Maxima Cum Laude when he received the Ph.B. from the Department of Foreign and Domestic Commerce, University of Notre Dame. In subsequent years at Notre Dame, Indiana University, and later at the University of Florida, he continued to extend his background in his chosen fields, as well as in English Literature and Spanish, both of which he taught for years. Before coming to Saint Leo College, Mr. Heiser had been a traveling auditor throughout Illinois, Wisconsin, and Missouri, where he had 21 hospitals under perpetual audit, and was Associate Professor at the University of Tampa for ten years. The latter five years he headed the Department of Business Administration and was Dean of the Adult Education Program of the University.

FROSH WEEK

ENTRANCE TO CRAWFORD HALL—SCENE OF "WAIT AND SEE" PROGRAM

Summer holidays are over. A brand new adventure—college life—begins. We're caught up in the whirlwinds of tests, registration, class scheduling, counseling, and getting bedded down in our new environment.

In order that you might be able to see a bit what this is all about, we have tried in the following section to give you a pictorial review of a new college year on our Saint Leo campus.

DAY HOP COOKOUT

Carmen Herring, sophomore, opened the school year with a cookout at her home for the day hops from the nearby area.

Father Dennis, O.S.B., guards his charges with a father's tender and cautious care.

FACULTY DINNER

The faculty dinner just before school opened gave the faculty members an informal chance to talk to one another over steak and a cup of coffee.

Talking across the table are Dr. Olson and Mrs. Sparling; Father Peter and Coach Sparling. Further down the line are Mr. Guy Debrock and his wife, and Sister Mary Grace and Sister Caroline.

"He who laughs last!" Mrs. Lovelace, Mr. and Mrs. Jud Barish, Mr. and Mrs. H. V. Mercready, and Col. and Mrs. Bridges take care of their digestion before the rigors begin.

BREAK AT LAKE JOVITA

Unidentified bird man

Father Peter organizes a ski show

Ramona makes a 3-point landing

There's nothing more slippery than a freshman or a greased watermelon

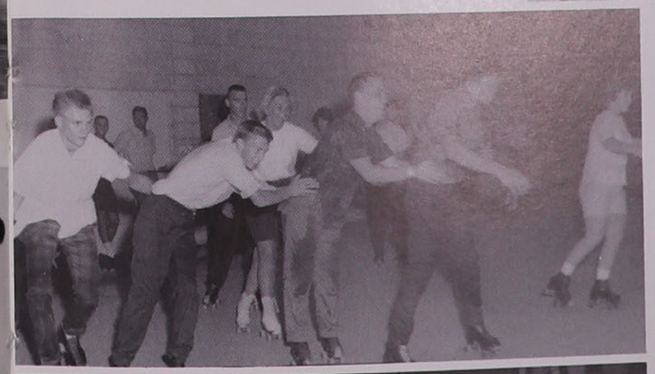
Paula watches Jean. Two other bystanders are also interested in her form.

PRESIDENT'S RECEPTION

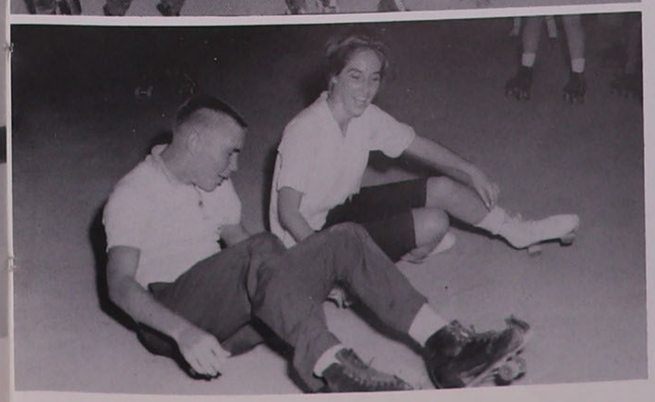
Father Fidelis, O.S.B., Mrs. Frances Corrigan, Father Peter, O.S.B., Dr. Clara Olson, and Father Stephen, O.S.B., on the reception line.

Miss Margaret Mary Henrich, Sister Rosaria, O.S.B., and Sister Mary Grace, O.S.B., put out the welcome mat.

Mike LaLonde replenishes the diminishing punch for hostess Julie Bowman.



Guys and Dolls in the cha-cha line at the K of C rink, San Antonio.



Richie and Paula unintentionally sit one out.

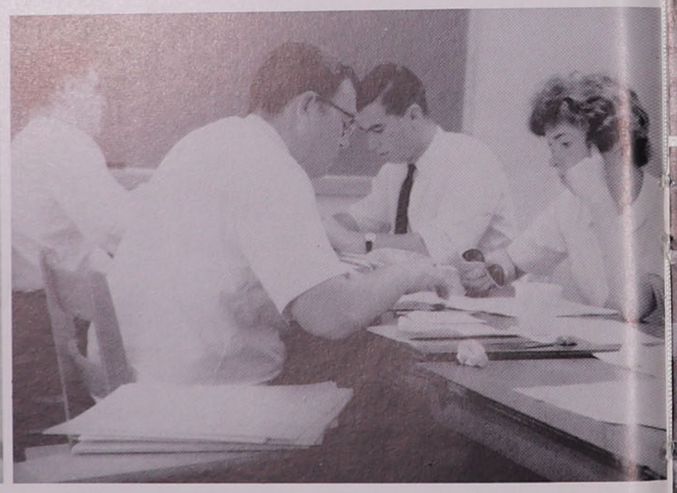
REGISTRATION

Fast on the heels of the college workshop for teachers August 27-30, registration helped them along with some practical applications.

At the opening of the fourth year of Saint Leo College, a new peak has been hit in enrollment, with a total of 245 men and 95 women, specializing in 17 major areas, and hailing from 18 states, Puerto Rico, Bahamas, and Aruba, D.W.I.

Father Damian, O.S.B., gives Bob Jassa the slip.

Sherry and Hilda guard the toll entrance.



Jean Garvey and Jim O'Connor ponder the future with Mr. Fain and Dr. Desmarais.

Bob Corrigan gets the signal from Mr. Mercready.

Miss Blakey and Father McCullen behind the firing line.

FROSH HOP

Carol Jarvis and Bill Huntington beat it out while Jim O'Connor tries to talk Gloria Sheffield into doing the same.

"I see a fellow!' cries Carol as Pat, Mary Jane, and Carolyn stare in cynical unbelief.

"The Sliders," versatile college combo who have gained a large following for their wide range of musical abilities.

Old fashioned barn dance.

FIRST MASS OF COLLEGE YEAR

Opening College Mass was celebrated September 9 in the abbey church at 10:30 a.m. Celebrant of the solemn high mass was Father Mark, O.S.B., college chaplain. Deacon was Father Stephen, O.S.B., president of the college, and subdeacon was Father Boniface, O.S.B., Roderick Hall prefect.

In his sermon Father Mark reminded the Catholic students of their religious obligations to attend Mass. He also said that transportation would be provided for non-Catholics desiring to attend church services in Dade City.

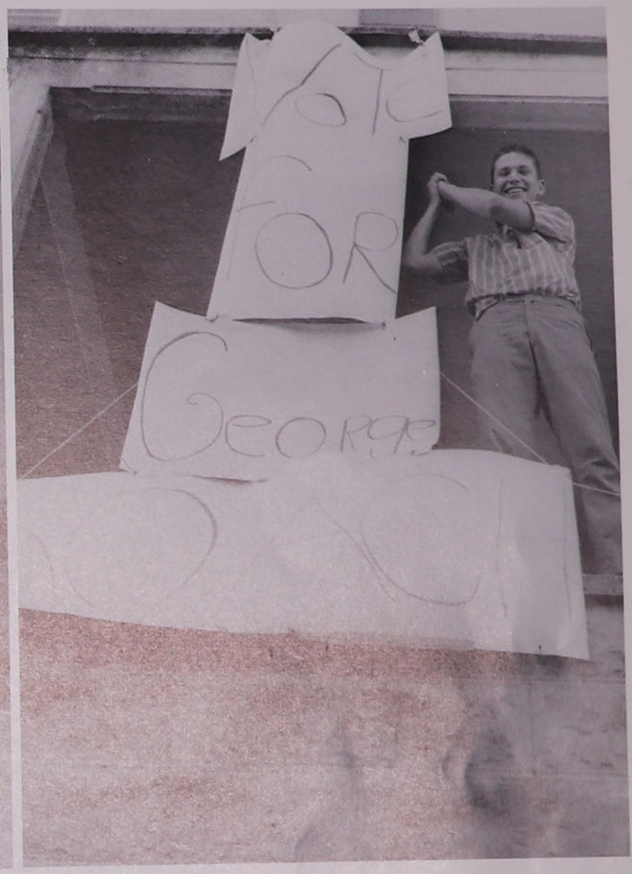
State road camp crew wait expectantly off stage for Steve, Charley, Lawson and Alex to join their ranks.

FROSH ELECTIONS

Carol Patscott puts in her bid for election with scientific campaigning and a good left, with the help of Terry Asmuth.



Also campaigning for election was George Roach, but it turned out that advertising isn't all that it's cracked up to be.

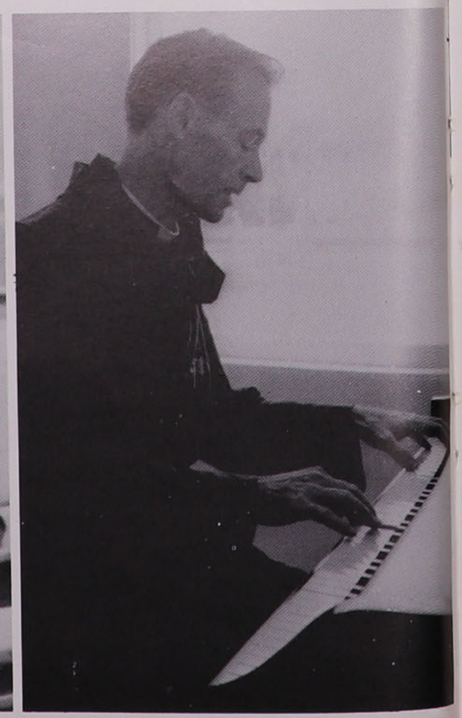
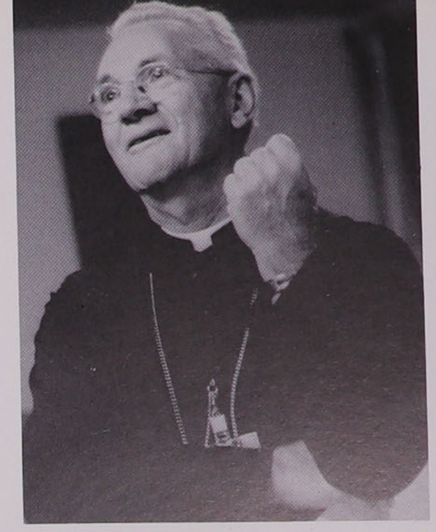
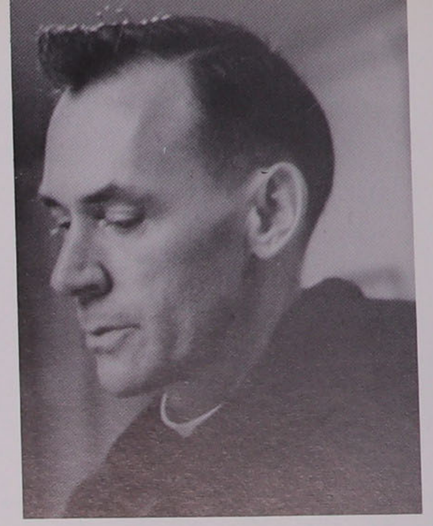
"Now here's the way I do it," says Mr. Dressman.



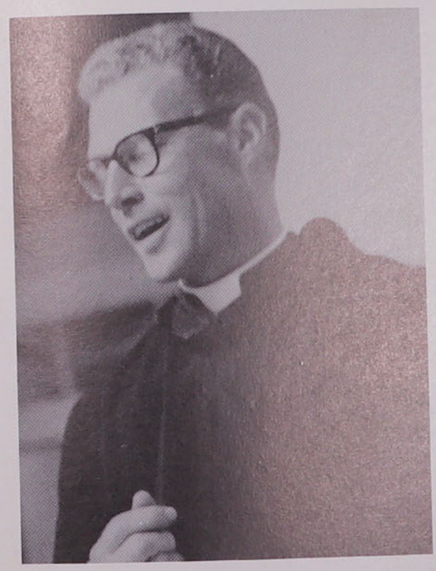
"And I do it like this," says Father Stephen.



Father Abbot—"Be a champ."



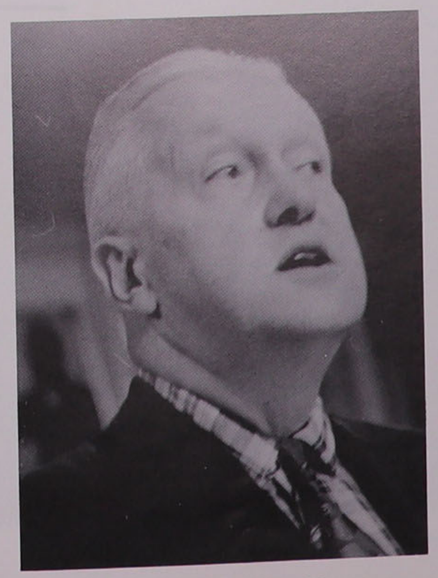
Father Stephen—"Uhh—well . . ."



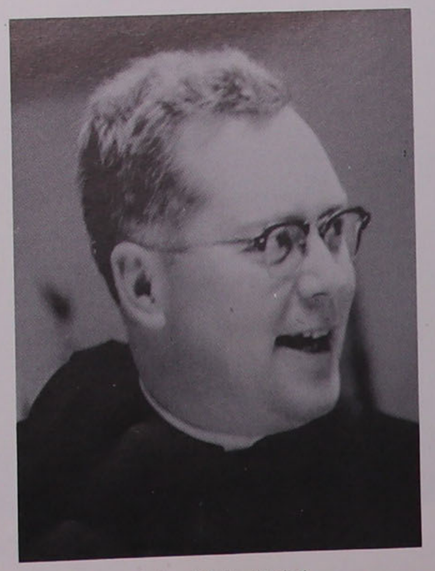
Father Peter—"Yup."

These candid shots were taken at a faculty meeting where our profs discussed how they could improve themselves and their departments. (So don't let the captions fool you.) For as our student body continues to increase and improve, we know that our faculty spends long hours "beyond the call of duty" only that they may better serve us.

Mr. Dressman—"Oh, yeah?"



Mr. Mercready—"Huh!"



Father Fidelis—"Hah."

Last year Saint Leo College, in its first try in competition with colleges throughout the state, took second prize in the smaller college division.

Under the direction of Father Dennis, O.S.B., the first College Parent's Week-end was held beginning November 29. It gave parents an opportunity to meet and consult with members of the faculty and faculty advisors on the progress and vocational goals of their sons and daughters at Saint Leo College. It enabled the college to explain to parents the goals and aims of Saint Leo. It also gave the students a chance to demonstrate their activities and achievements while here.

A buffet luncheon and various receptions were held throughout the week-end with such features as a variety show and three-act play.

More than 70 parents attended from New York, Illinois, Connecticut, Wisconsin, South Carolina and Florida.

At a general meeting in the theatre of parents, faculty and students, Father Dennis was M. C. Speakers were Abbot Marion and Father Stephen. The feature address was given by Mr. Al Donahue, father of Dennis Donahue, Stamford, Connecticut. Mr. Donahue is president of Talon Corporation of America and Canada.

RT. REV. FRANCIS R. SADLIER, O.S.B., second abbot of Saint Leo.

The Rt. Rev. Francis Sadlier, O.S.B., second abbot of Saint Leo, died November 28 on a train from La Place, Louisiana to Pittsburgh, Pennsylvania. He had been assisting at Saint Joan of Arc Church, Louisiana and was on his way to give a retreat at Pittsburgh.

Abbot Francis was born near Altoetting, southern Germany, September 18, 1889. He came to this country as a boy and began his studies at Saint Leo. He graduated from Saint Leo Prep in 1906. After completing the novitiate, he was professed in the Order of Saint Benedict on September 12, 1909. He was the first priest ordained by the Most Reverend Michael J. Curley, then Bishop of Saint Augustine, at the cathedral on August 13, 1914.

Twice during the protracted illness of Abbot Charles, first abbot of Saint Leo, Abbot Francis was administrator of the abbey with full power and jurisdiction. In 1916 he was appointed novice master, sub prior in 1918, and prior in 1920. At the time of his abbatial election on October 2, 1929, he held the office of prior and procurator, in addition to fulfilling the duties of librarian, teacher, and pastor of the churches in Dade City and Zephyrhills. Abbot Francis was also diocesan director of the Priest's Eucharistic League and the Apostleship of Prayer for many years.

The special honor of wearing the purple zuchetto and biretta was accorded Abbot Francis by the late Pope Pius XII in 1940. During his quarter-century as abbot of Saint Leo, the old gymnasium, Saint Mary's hall, Saint Francis classroom building, and the abbey church were constructed.

Upon his resignation on April 20, 1954, Abbot Francis was chaplain for five years at the United States Public Health Service Hospital, Carville, Louisiana. Afterward until his death, he gave retreats to religious, directed days of recollection, and assisted at parishes. He died, as he would have wished, on the job.

Abbot Francis was twice given outside recognition for his work. He received the honorary title of doctor of humanities from Rollins College, Winter Park, in 1941; and the honorary degree of doctor of law from Saint Vincent College, Latrobe, Pennsylvania. During World War II he did extensive work in the Diocese of Saint Augustine with prisoners of war who were under care of the United States government.

'ROUND ABOUT CAMPUS

Jewels of dew sparkle,
scintillating
the early morning sun
from their velvet resting place
on the veined hibiscus leaves.

Lover of the silent creatures,
disdaining the eyes of man,
the cereus
blooms in startling purity,
flooding the dark with flagrant grandeur
for one night of immortal glory.

A woven web of wonder
stretches across the new morning,
shimmering strands of lace—
delicate breakfast snare.

The green boughs bend,
buried beneath
the astringent mantle of white;
immobile,
carved in cold,
inscrutable,
waiting for the time of reckoning
to suck the liquid life of their burden
and shoot
green and ardent to the sun.

EVENING COLLEGE INSTRUCTORS (l to r). Dr. Charles W. Arnade, Latin American History; Mr. H. V. Mercready (Director of Division) Business; Miss Grace Blakey, English; Joseph D. Geiger, Art; X. L. Garrison, Education; Albert E. Smith, Mathematics; Father Peter, O.S.B., Philosophy; and Hubert Huston, Finance. Not shown are Dr. O. S. Bandy, Spanish; Dr. Clara E. Olson, Education; and Mrs. Dixie Gentry, Accounting.

The light of that Lamp of Education burns brightly at Saint Leo College—day *and* night. This is evidenced by Crawford Hall, classroom building, which is a lighted beacon on campus after the sun has gone down. It was determined with the inception of the college in 1959 to offer education's light to any who would seek it.

A new peak has been reached this year with record numbers of persons of all adult ages making the trek to our campus for the purpose of adding to their store of knowledge, in practically every case, after the day's work was done. One mother with several children travels 150 miles a week to attend three classes at night. Another scholar drives 70 miles to attend one weekly class. Others cover similar distances.

A dedicated group of Evening Faculty members teaches a wide group of subjects ranging from business subjects to speech, language, art, and education. In at least one subject, art, the class has doubled from a single one of twenty students to two classes of forty students, plus a daytime class of 23 in Art Appreciation.

During the past year, approximately 160 scholars have taken close to 180 individual subjects in the various courses offered through the Special Courses Division. This is in addition to approximately 75 day students who were also members of the Evening Classes.

½ MILLION DOLLAR BUILDING GOING UP — THE WILLIAM P. McDONALD STUDENT SERVICE CENTER

Although the Big Freeze of December 12 gripped the Saint Leo citrus groves and squeezed all the juice out of the Benedictine's annual operating income, they continue to push ahead with their building program. The new building will house a cafeteria, student service offices, social lounge, barber shop, snack bar and post office. This marks the new phase of the *Saint Leo Twenty-Year Building Program* following the completion of the first five years at a cost of a million dollars.

SAINT LEO COLLEGE BOARD OF ADVISORS.

Attending the second annual meeting were James T. Vocelle, Vero Beach; A. M. Heleringer, Louisville, Kentucky; John J. Neilly, St. Petersburg; Abbot Marion, O.S.B., H. Earl Smalley, Miami; N. S. Burns, Dade City; Henry C. Hughes, St. Louis, Missouri; R. A. Brown, Palm Beach and Chicago; C. P. McCabe, San Antonio; Father Stephen, O.S.B., Father Edward, O.S.B., Father Dennis, O.S.B., and Brother Bernard, O.S.B. Since this picture was taken, three new members have been added to the Board: Mrs. Helene Morris, Sarasota; Hon. John S. Burks, Mayor of Dade City; and Mr. Francis H. Corrigan, San Antonio, Fla.

A finance committee was appointed, headed by Henry C. Hughes, St. Louis, Missouri, lawyer. With him is serving H. Earl Smalley, Jr., Miami financier, and Abbot Marion Bowman, O.S.B.

The advisory board was so strong in its support of a full four-year program that a resolution to that effect was introduced and passed and recorded in the minutes. The proposal unquestionably involves many large problems. Although the Benedictine community has undertaken the discussion and study of this possibility, it will be some time yet before it is definitely voted on as to when the junior college year shall be introduced and the follow up of the senior year.
